Membership Application Form

The Worsley Civic Trust and Amenity Society was set up in 1963 by residents mainly from Worsley Village. Their aim was to help honour and safeguard the historic fabric not only of the village but the area that was once covered by the former Worsley Urban District Council. Since that time there has been a massive increase in population which has eroded many green spaces within our catchment area. We help to challenge this expansion where necessary to help maintain our local landscape. We invite you to join us.
