Membership Application Form

The Worsley Civic Trust and Amenity Society was set up in 1963 by residents mainly from Worsley Village. Their aim was to help honour and safeguard the historic fabric not only of the village but the area that was once covered by the former Worsley Urban District Council. Since that time there has been a massive increase in population that has eroded many green spaces within our catchment area. We help to challenge this expansion were necessary to help maintain our local landscape. We invite you to join us.

Name(s):			
Address:			
Post Code:		**Tel No.**	
E-mail:			

Current annual membership fees are: £7 (individual) and £12 (household) which includes a printed six-monthly newsletter containing original articles relevant to the history and development of our local area.
